---

Dear ACC,

Lot 1 owners have requested a variance to keep their RV where it currently is for a maximum of 6 months until the previously approved structure is built. They do expect it to be built sooner. The RV structure will be built first.

Please let us know if you recommend approving this variance.

Note: the RV does have expanded septic tanks and they are having a service come regularly until their septic tank is built.

**Subject:** Lot 103 - Variance Request

Good Afternoon,

Attached is a variance request for our property.

Thank You,

Shireal Martin
