Hello,

Thank you for your timely response. Unfortunately, we will be out of town 4th of July weekend. Could we possibly set this for another date? Or, a phone call would work as well. Whichever is easiest

Thank You,  
Kim & Justin Hargrove

Kim,

Thank you for sending this however, it is clear that there is still a misunderstand. We need to have a sit down with you, the Board and the ACC members to go over the CC&Rs. Unfortunately, due to schedules that won't be possible until early July. We will get back to you next week to get something scheduled.

We have submitted our paperwork for a new build. We will utilize the current structure as a work shop and extra space for storage etc. Time frame for the build will be within 24 months, as allowed in current CCRs.

Thank You,
