Hi Matt. I'm good. Hope all is well with you.

Please see attached. Sorry for the confusion. The left and right are kind of backwards. When I filled out the form I imagined left and right as if you were looking at the property from the front but on the page it is backwards.

I hope this helps. Let me know if you need anything further.

Thanks,
Stephen

Stephen,

I hope you are doing well. The ACC in reviewing your request noticed the site plan does not have dimensions on it. Could you add dimensions showing the structure will be placed in the proper setbacks please?

Crossbow Board - President
